

DISCOVERY FLIGHT

Want to see what it's like
to actually fly a plane?

Interested in learning
about flying?

Want to try something
that less than 1% of the
population knows how
to do?

Your Discovery Flight includes:

- ✓ Hands-on aircraft orientation and preflight demonstration.
- ✓ Brief ground instruction on taxiing and takeoff procedures.
- ✓ An enjoyable flight, lasting approximately 30 minutes, viewing local rivers and landmarks.
- ✓ *Flying the Airplane!* Under the close supervision of your experienced FAA certified flight instructor, you will actually take the controls for your first flight lesson!
- ✓ Additionally, we will take a photo of you in or next to the plane and e-mail the picture to share with family and friends.

Douglas Cumins, the owner of New Kent Aviation is an FAA licensed Airline Transport Pilot, Flight Instructor, and Ground Instructor with over 17 years of flying experience. Doug has been living and flying in the Richmond area for 9 years and is a member of the Air Line Pilot's Association (ALPA) and the Aircraft Owners and Pilots Association (AOPA).
